- b) The Suggestion Awards Officers attended the National Association of Suggestion Systems convention in Atlantic City.

The principal message from the convention was the importance of stressing the supervisors' participation in the program, and the value of internal [Agency] promotion as compared with general [canned] poster ideas.

- c) Two new posters have been distributed.

Minutes of SAC Meeting  
24 October 1957

25X1A

[REDACTED] feels that the Committee should (and would) be objective in their deliberations.

The recommendation was tabled.

25X1A

- a) [REDACTED] suggested that evaluators be informed of final action on the cases they have commented upon.

N.B: The Suggestion Awards Staff will send the evaluators a carbon copy of close out and award letters addressed to the suggester. The name of the suggester will be deleted. This copy will be destroyed by the last evaluator listed on the routing sheet.

25X1A

- e) The subject of grades as an element to be considered in the evaluation was discussed. Some members said everyone should have an opportunity to try for an award, regardless of grade. The Chairman remarked that Senior Executives have the entire Agency as their area of interest and therefore their eligibility for an award is questionable. [REDACTED] is to report on the Honor Awards views on this matter at the next meeting.

25X1A

- f) [REDACTED] pointed out that to be successful and effective, the Suggestion Awards Program objectives must be understood and appreciated by the immediate office heads, as well as by the Deputy Directors and the Director.

The Executive Secretary stated that efforts had been made to include orientation in the OTR Supervision and Management courses as well as in the Clerical courses; and every effort is geared to reach the office heads.

One officer remarked that the competition between units and components would be helpful. Another that the Supervisors also deserve and should get recognition.
